## An ultra-compact pocket flashlight in COAST's new durable "extreme performance" line of portable lighting solutions

Big on light, small on size. The COAST XP6R torch delivers brightest-in-class light with a new, more rugged look consistent with COAST's new line of XP (extreme performance) torches. The XP6R is 9.0cm in length and packs a punch, with 400 lumens of maximum brightness. The torch features three light output levels and multi-beam capability powered by a COAST ZITHION-X™ rechargeable battery.

This torch is equipped with COAST's Dual Power™ technology, meaning the torch is also compatible with a CR123 disposable lithium battery (sold separately).

This pocket-sized handheld torch features patented slide-focusing optical technology that shines clean flood light and piercing spot light with seamless transitions between.
