# XPH34R

(809493)

## COAST introduces its most powerful ever 2075 lumens headlamp that doubles as a handheld torch in COAST's new durable "extreme performance" line of portable lighting solutions

The COAST XPH34R rechargeable head torch gives users amazing versatility and delivers COAST's most powerful brightness. The torch has a maximum lumen output of 2075 on turbo mode and 1025 lumens on high.

The XPH34R features a compact, dust-resistant aluminium body that rolls in its bracket for dynamic directional lighting. You can pull the torch out of the bracket to use as a handheld; there is also a magnet on the battery cap which allows you to affix the torch to metal surfaces.

Powered by a COAST ZITHION-X™ rechargeable battery with a real-time battery life indicator, the torch features a twist focus and four light output options. The light features COAST's Dual Power™ technology, meaning the torch is also compatible with three AAA alkaline batteries (sold separately).

ANSI FL1 (Rec)	Medium	High	Low	<i>Turbo</i>
Lumens	330	1025	73	2075
Beam Distance	78m	136m	36m	195m
