

**NEW!**

# XPH25R

(809495)

## A compact rechargeable head torch that doubles as a handheld in COAST's new durable "extreme performance" line of portable lighting solutions

The COAST XPH25R headlamp gives users amazing versatility. The torch features a compact, dust-resistant aluminium body that rolls in its bracket for dynamic directional lighting.

You can pull the torch out of the bracket to use as a handheld; there is also a magnet on the battery cap which allows you to affix the torch to metal surfaces.

Powered by a COAST ZITHION-X™ rechargeable battery with a real-time battery life indicator, the torch features a twist focus and three light output options.

The torch features COAST's Dual Power™ technology, meaning the torch is also compatible with a CR123 disposable lithium battery (sold separately).
