RECHARGABLE PLUS POWER AREA LANTERN
EAL40R - 811817

5 YEAR WARRANTY

IP54

PRODUCT DETAILS

The innovative EAL40R provides multiple ways to control its high-powered light to light up the entire area.

Flip the Color Shift ™ zone selector switch to toggle between multiple light modes: Warm High, Medium, Low or Cool High, Medium, Low as well as Steady Red or Flashing Red.

8 modes to provide an option for every scenario.

With carry handle and diffuser in place this is a terrific weather-resistant lantern or remove the diffuser and hang from the integrated carabiner as a versatile internal light source.
