

**PRODUCT DETAILS**

The voice-activated RL35R allows you to take control while keeping your hands free. With COAST's VARIABLE LIGHT CONTROL™, a dial for adjusting brightness the ARC280™ system brings bright, diffused light wherever you look. With different LED colour options (including red, green, blue and advanced ARC COB lighting) you're ensured optimal illumination.

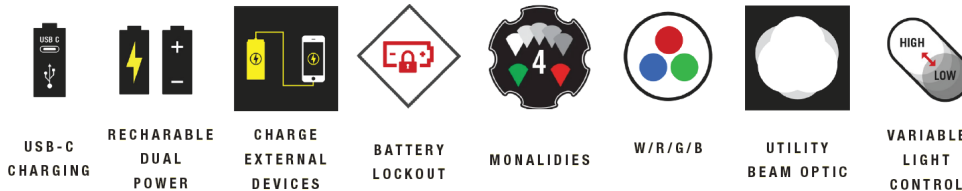

A removable battery pack with REAR SAFETY SIGNAL™ red lighting enhances safety completing the package.

Ideal for hiking, camping, running or professional applications, the RL30 Series provides reliable and versatile lighting in any situation.
